

UNIVERSITY OF HELSINKI

32nd Nordic Geological Winter Meeting

Helsinki, 13–15 January, 2016

Venue: Kumpula Campus, Helsinki

CALL FOR ABSTRACTS

The *Geological Society of Finland*¹ is pleased to invite you to present your work in the **32nd Nordic Geological Winter Meeting**. The conference will be held at the University of Helsinki 13–15 January 2016. The event is organized jointly by the Geological Society of Finland and the University of Helsinki. More information about the meeting is found on its website².

Registration information. To participate in the conference or to submit an abstract, it is necessary to first register through the conference site². The fees are the following.

| | Early registration (€) | Late registration (€) |
|-----------------------------|------------------------|-----------------------|
| Member ³ | 350 | 440 |
| Non-member | 400 | 490 |
| Student | 200 | 300 |
| Due date for payment | Nov 1, 2015 | Dec 1, 2015 |

Abstract submission guidelines. To present a poster or to give a talk in the conference, you are kindly asked to submit an abstract for your presentation through the conference site². Submission of abstracts is only possible for registered participants. All abstracts will be reviewed by the scientific committee by the end of November 2015. **Detailed instructions on abstract submission will be included in the confirmation email of your online registration.** To confirm his/her presentation, the registrant must pay the conference fee by December 1, 2015. Any unconfirmed presentations will be cancelled, and the related abstracts will be left out of the book of abstracts. Before submitting your abstract(s), please consult the “**Abstract Guidelines**” paragraph at the “**Registration**” section of the conference site².

Contact information. If you have any questions related to the conference, do not hesitate to send them by email to the address seija.kultti@helsinki.fi.
