Membership

Membership is open to any Finnish national interested in geoscience. Foreign membership is open to any foreign geologist on the recommendation of two Finnish members.

Members receive the following publications: Bulletin of the Geological Society of Finland, founded in 1929, one issue per year, containing scientific articles; *Geologi*, founded in 1949, 10 issues per year, containing short articles in

Finnish or Swedish on geoscientific subjects, book reviews, membership news, etc.

The annual membership fee is 15 Finnish marks. Lifetime membership fee 300 Finnish marks.

Non-members may subscribe to the Bulletin of the Geological Society of Finland on application to the Akateeminen Kirjakauppa (Academic Bookstore), Keskuskatu 1, Helsinki 10, Finland.
